NOTIFICATION AND PAYMENT OF FEE DEFICIENCY  
PURSUANT TO 37 C.F.R. § 1.28(c)

Small entity assertion was made in this case.

This assertion of small entity status and any payment of fee(s) as a small entity were made in good faith. It has now been discovered that such status may have been established in error. There was no attempt to fraudulently establish status as a small entity or pay fees as a small entity. Moreover, there was no intent to deceive in establishing status as a small entity or paying fees as a small entity. The Office is hereby notified that status as a small entity is no longer claimed.
